	Motion by	Walt M	2 nd by	Harry E	pass		

Officer Reports:

Chair:

• Golden Clams were found on Briggs Lake. This is an AIS but is not a huge threat. They have never been found on an inland lake. Usually don't survive winters when water is frozen over. This will be looked at again next year. Healthy Lakes/BLCA will take the lead on this.

Scott would like to purchase AIS identification cards to hand out to lake residents. We would like to get the
following: Curlyleaf Pondweed, Red Crayfish, Spiny Water Fleas, Starry Stonewort, Zebra Mussels, EWM/native
milfoil. The DNR will give us approx. 100 of each, Scott is recommending we purchase additional cards at a cost
of around \$50-\$60.

Motion by Walt M 2nd by Mike F

• Scott is working on the annual report, he's almost finished.

Vice-Chair: No Report

Secretary: No Report

Treasurer: No Report

Advisor: No Report

Old Business:

- Assessment ok'd by county everything is good to go. Dan Weber has been a huge help at the County.
- James Johnson Update haven't heard anything lately.
- Weise Property nothing new.
- Carry Over Policy Nancy will draft a policy and have ready to review by the November T-LID meeting.
- Wenck Update nothing new, still waiting for final report.

New Business:

- Big Elk Lake EWM EWM was found this fall on Big Elk Lake. Mike F sprang into action and coordinated a fast response and, along with some Big Elk Lake residents, spent a weekend pulling EWM on Big Elk Lake. Healthy Lake/BLCA are aware of this and are working on it.
- During the Healthy Lakes meeting this month some Big Elk Lake residents in attendance commented on a desire to contact residents on their lake in regards to possibly joining the T-LID. This is at its very early stage, we will keep ourselves informed if this moves forward.

Adjourn at 6:30 PM
