### Officer Reports:

**Chair:** Barb reported we received an email from DNR to verify that weed spraying was done by PLM according to our permit. Scott sent a note to PLM to follow through with the DNR.

**Vice-Chair:** nothing to report

**Secretary:** The county approved our 2023 TLID assessment amount of \$149.31.

**Treasurer:** nothing to report

**Advisor:** Scott is finishing up paperwork to receive our grants for this year.

## **Old Business:**

**Water Logger:** Mike has been adding data to the water logger chart - including rainfall totals. He mentioned that the data that he receives from the water loggers is available on the BLCA web page.

**James Johnson Update:** James owes us a report for late summer Milfoil surveys.

**Stanek (Wenck) Report - Water Shed:** DNR insists on a water model for any upcoming projects.

**Alum Feasibility Study:** nothing new, Dan still working on obtaining funds.

## **New Business:**

**TLID Goals for 2023** - Stacy will check with Kenzie regarding previous years goals.

## **Other:**

**Submerged weeds that build up along the shoreline** - John S. talked about all the muck and dead submerged weeds that have been showing up along the shoreline on Briggs and what can be done about it. We discussed what may be contributing to this: boat traffic, thrusters, jet skis, etc. Barb said that board members should research this issue and see what solutions may be out there if they're interested in doing so.

**We adjourned at 6:40 PM**
