May 30

June 13

June 27

THIS IS THE SCHEDULE

July 11

I will get sample bottles to you.

July 25

I will leave them by your door if I don't get in contact with you.

August 8

August 22

September 5

September 19

October 43

October 17

Samples will be picked up at your home after 10 AM. You can just leave the samples in the cooler by your door. I will leave new bottles in your cooler.

PLEASE FILL OUT THE LABELS ON THE BOTTLES.

Secchi disc reading should also be given to Walt each week as he has to get them to the DNR. Leave the reading on a slip of paper if not home. If something comes up and you cannot reach Walt, John Schnell is the back-up contact.

THANKS FOR YOUR BEING A VOLUNTEER!
