TOWNSHIP COMMUNITY RESOURCE GUIDE & DIRECTORY

Compliments of

BRIGGS LAKE CHAIN ASSOCIATION
BRIGGS | ELK | JULIA | RUSH

www.briggslakechainassociation.com

The Palmer Community Directory is prepared and distributed by the Briggs Lake Chain Association (BLCA). It lists residents of Palmer Township, the Big Elk Lake area of Clear Lake Township, and parts of St. Cloud. The center spread has maps of the lakes area with a location code to assist in finding lakeshore and off-lakeshore homes.

Public property information was received from the 2025 Sherburne County, Palmer Township, and Clear Lake Township websites.

Phone Numbers: The county does not supply residents' phone numbers. The numbers listed in this directory are compiled from submitted Membership Forms and updates provided by residents themselves.

New to the Area? The Palmer Directory is published annually in the spring. Advertisers in the directory are local and many are residents on the lakes. Shop and support our local businesses.

Checkout the BLCA website: www.briggslakechainassociation.com to learn more about our Lake Association. Join our Facebook page @BriggsLakeChainAssn It is a private group, you will be asked a couple of questions prior to being approved to join the group.

Join the Briggs Lake Chain Association (BLCA) as a member/sponsor. A sponsorship form is in this directory.

Briggs Lake Chain Association BLCA

Briggs ... Big Elk ... Julia ... Rush

Remembering the Past - Improving the Future

promoting the care, improvement, and general welfare of
the Briggs Lake Chain (Julia, Briggs, Rush and Big Elk)
and adjoining and connecting watershed.

Website: **www.briggslakechainassociation.com**

Facebook: **[briggslakechainassociation](https://www.facebook.com/briggslakechainassociation)**

Please help us keep accurate listings by notifying **Brad Kipp**, membership chairman, via email..... **Bradkipp1@gmail.com** of additions or corrections that should be in next years directory.

The Briggs Lake Chain Association (BLCA) is a 501c3 and managed by a board of directors elected from and by the membership. The current Board Member names and contact are listed in the back of the directory.

Annual membership / sponsor contributions of \$40.00 per year. are tax deductible. Email **Shelly Alger-Peyton**, President, **sdreimer@frontier.com** or go to the BLCA website **www.briggslakechainassociation.com**.
Select membership from the index and download an application.

The membership form can be used to access information and place your contact information in the next year's directory without becoming a sponsor.

BRIGGS LAKE CHAIN ASSOCIATION 2026 BLCA SPONSORSHIP FORM

Briggs – Big Elk – Julia – Rush Lakes

Remembering the past – improving the future...promoting the care, improvement, and general welfare of the Briggs Lake Chain and adjoining and connecting watershed.

New to the Lakes: A BLCA sponsorship (membership) donation is a Tax Deductible 501C3 non-profit.

Do you have to pay \$40 sponsorship to receive the monthly newsletter, high water alerts and other notices? No, the BLCA will email the **BLCA Lake Report Newsletter and notifications** to all residents that have provided an email address below.

Complete the Information Below

Or register with payment online at www.briggslakechainassociation.com (click the green box on the homepage)

Sponsors will receive a document for tax purposes and a membership placard to display.

Name(s) _____

Lake Address _____

Mailing Address (If Different) _____

Phone Number #1 _____ #2 _____

The first phone number will be listed in Palmer Directory

Email Address #1 _____ #2 _____

BLCA Membership Donation

Recommended Donation of \$40

Your Donation: _____

Aquatic Invasive Species (AIS)

Recommended Donation of \$40

Your Donation: _____

The Three Lake Improvement District will treat and manage AIS (Curley Leaf Pondweed and Eurasian Milfoil) in common areas of the upper 3 lakes for 2026. Your AIS donation helps the BLCA pay to survey all lakes for AIS and spray for milfoil in Big Elk Lake. Other BLCA prevention includes boat inspections, volunteer milfoil hand pulling, monitoring signs of zebra mussels, golden clams and AIS education.

Briggs Lake Fireworks – July 3rd, 2026 Donation and BLCA Funded

Your Donation: _____

*Donations for the fireworks display on Briggs Lake are extremely important and must be received by **June 1, 2026**. Donations received after that date will be credited to the 2027 display.*

Fish Stocking - The BLCA will match up to a total of \$600 in donations to stock our lakes

Big Elk Lake Walleye/Sunfish stocking - BLCA stocks the Walleye and Bluegill Your Donation: _____

Upper 3 Lakes Fish Stocking - Sunfish (DNR stocks Walleye in the upper 3 lakes) Your Donation: _____

THANK YOU for your SPONSORSHIP

BLCA Lake Conservation Programs

*** Gentle Footprint**

Conservation and Native Plant Program *

Program and Projects to date:

The BLCA has promoted lake improvement and supported conservation efforts for a long time. We have used our own resources in addition to obtaining grant funding from other agencies to help property owners pay for lakeshore restoration and runoff control projects. This work began in 2000 with a total of 60+ projects completed on the four lakes so far. These included shoreland restorations, run-off control, and rain gardens. Funding sources have included the Minnesota DNR, Sherburne Soil and Water Conservation District, and Elk River Watershed Association in addition to projects funded solely by the BLCA. We also developed a Plant Bank program to provide replacement plants for property owners who have lost native plants through erosion or winter kill.

All projects have used native (deep-rooted) plants to slow the flow of rainwater and allow it to absorb into the soil to reduce pollutants and nutrients flowing into our waters.

2024-25 Program

Last year in addition to the BLCA-funded Gentle Footprint Program and our combined SWCD Cost-Share/BLCA Gentle Footprint program, we added a new Lake Steward Conservation Program partnered through MN Lakes and Rivers. This program allows property owners to have their property evaluated to determine if it meets the conservation level of a Lake Steward. The BLCA awarded 12 properties with Lake Steward signs in 2025 and you will see those displayed on those properties throughout the boating season.

The "Class of 2025-26" consisted of 8 projected projects on Briggs, Elk, Julia and Rush Lakes – some of which will have joint funding and some are BLCA funded only. Detailed planning is occurring now with planting to follow in early summer of 2026. See future issues of The Lake Report Newsletter, Facebook page and the BLCA website for updates on these projects.

BLCA Lake Plant/Conservation Program - Future

2025-26 Programs

We want to hear from property owners who would like to complete conservation projects with planning activities in the spring of 2026 and planting in the spring and early summer of 2026. Three funding options are available.

Option One: SWCD & BLCA Cost-Sharing Program

- SWCD will pay up to \$5,000 with 65% match plus BLCA will pay up to \$1,500 with 30% match.
- Visit www.sherburneswcd.org for more details.
- Contact Shelly at 612-283-8362 or sdreimer@frontier.com with questions and to indicate interest.

Option Two: BLCA Gentle Footprint Program

- BLCA will pay up to \$1,500 with 50% match (in-kind labor allowed at \$15/hour).
- Contact Shelly at 612-283-8362 sdreimer@frontier.com with questions and indicate interest.

Option Three: BLCA Healthy Lakes Plant Bank Program

- BLCA will pay up to \$200 for each grant which can be used to purchase native plants or seed mixes from our partner, MN Native Landscapes (MNL) (www.mnlcorp.com).

Which program to choose?

It depends... Talk with GF coordinator and we will compare the three programs and determine which is best for you and your property project.

Please note that:

- Participants must be BLCA Sponsor.
- All plant materials must be native species.
- Projects may be rain gardens, shoreline restorations and/or other run-off control, and must improve water quality by controlling erosion and reducing sediment.
- See www.briggslakechainassociation.com for 2026 program applications.

BOAT RESPONSIBLY

Never boat under the influence of alcohol, drugs, or medication. Alcohol use is the leading known contributing factor in recreational boating fatalities.

WEAR A LIFE JACKET WHILE BOATING.

86% of people who drowned in a recreational boating accident were not wearing a life jacket.
Always wear a life jacket!

TAKE A BOATING SAFETY COURSE.

In accidents where the operator's instruction was known, 77% of fatalities occurred on boats where the operator had not received any boating safety instruction.

GET A FREE VESSEL SAFETY CHECK EVERY YEAR.

These checks have revealed life-threatening problems even on boats owned by safe, responsible boaters.

OPERATION DRY WATER

Law enforcement agencies are participating in Operation Dry Water, an intensified effort of detection and deterrence aimed at boaters who are operating under the influence of alcohol or drugs.

BOATING UNDER THE INFLUENCE (BUI)

is not only illegal, it is dangerous. If you boat under the influence of drugs or alcohol you are endangering your life and the lives of others.

**BOATING UNDER THE
INFLUENCE IS AGAINST
THE LAW.**

OPERATION DRY WATER

is a nationwide outreach and enforcement campaign with the goal of raising awareness of the dangers of

BOATING UNDER THE INFLUENCE (BUI)

and providing heightened enforcement of boating under the influence laws through the efforts of local, state, and federal law enforcement agencies.

Produced under a grant from the Sport Fish Restoration and Boating Trust Fund, administered by the U.S. Coast Guard.

NATIONAL BOATING UNDER THE INFLUENCE AWARENESS & ENFORCEMENT CAMPAIGN

What can I do about the lake weeds?

To keep nutrients, which can feed weed and algae growth, from entering the lake

- Minimize or eliminate the use of fertilizer on your lawn.
- Maintain a vegetative buffer along your shore, it captures nutrients before entering the lake and prevents erosion.
- Clean up after your pet (in your yard or on the ice). Pet waste is a major nutrient source.
- Take care when mowing or blowing leaves that debris does not get in the lake.

Using an herbicide without a DNR permit is a misdemeanor and may result in a citation.

What can I do without a permit?

- You may cut or pull submerged vegetation, such as Elodea, without a DNR permit under certain conditions:
 - The area to be cleared must be no larger than 2500 sq. ft.
 - The cleared area must not extend more than 50 ft along the shoreline, or ½ the length of your shoreline, whichever is less.
 - The 2,500 square foot area may also include a boat channel up to 15 feet wide, and as long as necessary to reach open water (the boat channel is in addition to the 2,500square feet allowed). The cutting or pulling may be done by hand or with hand-operated or powered equipment that does not significantly alter the course, current, or cross-section of the lake bottom. Such control cannot be done with draglines, bulldozers, hydraulic jets, suction dredges, automated aquatic plant control devices, or other powered earth-moving equipment.
 - In floating-leaf vegetation, a lake shore property owner may maintain a channel 15 foot wide extending to open water *by mechanical means without a permit. Any other destruction of floating-leaf vegetation requires a permit.*

After you have cut or pulled aquatic plants, you must dispose of them on land to prevent them from drifting onto your neighbor's property or washing back into the lake. If you plan to dispose of aquatic vegetation someplace other than on your property, you will need to download the aquatic plant transport authorization form from the MN DNR website. See www.dnr.state.mn.us

BECKER AREA SENIOR CENTER

serving seniors in

BECKER | BIG LAKE | CLEAR LAKE | DUELM | PALMER | SANTIAGO

The BASC offers a variety of programs including informational and educational speakers on topics like safety, health and wellness, history, gardening, finance, and more. We have a variety of musical groups to entertain us, free monthly movies and popcorn and educational tours of area sites.

ACTIVITIES

Activities include monthly luncheons, diverse crafts, whittling, art classes, various games (cards, board games, and jeopardy), outings, and exercise.

SERVICE

BASC members participate in community gardening as well as community service projects such as packing food, participate in sewing projects for area charities and have various intergenerational activities with Becker students and area Girl Scouts, and hosting the 55 Alive Driving classes.

WHERE & WHEN

BASC meets at The Becker Community Center on Tuesdays and Thursdays from 9:00AM to 2:00PM. Coffee is always on, snacks are available and conversation is encouraged. Please join us!

VOLUNTEER & DONATE

BASC receives tremendous community support from area businesses, organizations and individuals. Donations are always welcome and appreciated. Volunteers for BASC operation are crucial. Call (763) 200-4271 for more information.

CONSIDERING A HYDRAULIC JET?

Know the rules

- **Legal:** Blowing away floating surface debris and algae, if lake bottom is not disturbed. No permit is needed.
- **Not legal:** Using a hydraulic jet in any way that disturbs the lake bottom or uproots aquatic plants. Illegal use of hydraulic jets may result in a citation, restoration order or both from a state conservation officer.

Consider fish, water quality and neighbors

- **Illegal use:** Destroys fish habitat and clouds the water.
- **Improper use:** Creates mats of vegetation and unnatural sediment berms that reduce enjoyment of the lake.

Hydraulic jet brand names examples include: HydroSweep Pro, Aqua Thruster, Aquasweep and Aqua Blaster.

mn DEPARTMENT OF
NATURAL RESOURCES

FISH AND WILDLIFE
500 Lafayette Road, St. Paul, MN 55155-4036

Call us, new longer hours.
M-F 8 a.m.-8 p.m., Sat. 9 a.m.-1 p.m.
888-MINNDNR www.dnr.state.mn.us

PLACEMENT
IS CRITICAL

Some shallow sites with soft sediment may not be suitable for a jet no matter the orientation.

FAW.496.18

REMINDER TO ALL RESIDENTS:

SNOWPLOW POLICY

The plows are called out when an accumulation of 2 or more inches of snow has fallen. Plows are not sent out until the snowfall has stopped, unless it is an extended snowfall of greater than 6 inches. Plows will not be sent out during a time when it is determined that poor visibility would make plowing dangerous. The Township is not responsible for; snow thrown in driveways, repair or replacement of mailboxes, fences, etc., damaged by thrown snow or equipment hitting the above objects, or damage to landscaping done within the right-of-way.

Remember: It is against the law to plow snow from your driveway across a public road. Also permanent structure or items other than mailboxes cannot be in the Road Right of Way (ROW). The Township is not responsible for replacement of items such as rocks, flowers, posts, stacks, flags etc.

BLUE 911 ADDRESS SIGNS

Please clear the area around your blue 911 address sign so that the signs are very legible from the street. Emergency personnel use these address signs to quickly identify the correct address in need of emergency assistance. If the sign is moved or blocked from view by tall grass or brush, it may take additional time for them to locate the correct address.

By Township ordinance:

- the sign needs to be located in the front of your residential property, on the street side, near the driveway servicing your property
- the height of the sign cannot be less than 4 feet or higher than 5 feet
- the sign post needs to be no closer than 3 feet and no more than 10 feet from the street right-of-way servicing your property

If a post is missing or needs replacement, the township will provide and install a new one for you.

Thank you for your cooperation.
Palmer Township Board of Supervisors.

PALMER TOWNSHIP LIBRARY

Tuesdays 8:00 am - 4:00 pm

Palmer Township Hall

4180 105th Ave, Clear Lake

No Library Card Required

- * Adult & Children's Books
- * Fiction & Nonfiction
- * Puzzles
- * Select Movies

This is a self-serve library with no time or quantity limits. We do accept donations of gently used books, puzzles and movies. We do not accept magazines, newspapers or publications. There is a table and chairs available if you would like to stay and read or do a puzzle, or you may simply choose your books and bring them back when you are finished.

PALMER TOWNSHIP HALL

The Palmer Township Hall is located in beautiful downtown Palmer on the corner of 42nd Street SE and 105th Ave. The hall is home to the Palmer Township office, the Clear Lake Fire Station #2, Sherburne County Sheriff's office and the Township Library.

The main hall is used for township meetings and other community gatherings.. The town hall is available for rent and is equipped with a full kitchen, tables and chairs with a capacity of 100 people.

Visit palmertownshipmn.org/town-hall for more information.

PALMER PARK

Palmer park is located in the heart of Palmer Township. It is equipped with a pavilion, tennis court, pickle ball court, volleyball court, two softball fields, basketball court, horseshoe pits, a playground, a little library, rest rooms and ski and walking trails.

In the summer you can attend Monday night T-ball and softball games and in the winter the ski trails are groomed regularly.

The pavilion is available to rent from May 1st through September 30th for weddings, graduations, reunions, parties, etc.

Contact the township clerk for more information and to make reservations.
